Dedication

Mr. A. H. Hatsell

Superintendent, Pamlico County Schools

We, the Senior Class of Pamlico County High School, dedicate this, the first volume of the "Pamlicoan," to our friend, Mr. A. H. Hatsell, for his boundless enthusiasm, untiring effort, and efficient leadership in making this new and modern school a reality for the youth of our county.

Our appreciation and thanks are extended also to the parents and friends who helped in the promotion of this great accomplishment. We, the Senior Class, will ever remember and be grateful for the privilege of one year in this school.

Sincerely,

The Senior Class

of 1952

Our Principal Speaks

This school year has been for all of us a new experience. The association with a greater number of teachers and students, and the opportunity of a wider range of courses in high school, should have given each of us a broader outlook on life, as well as a better understanding of the problems which confront us.

Learning how to live and get along with our associates is one of the most important factors in the great game of life which we are playing. It is my sincere hope that there has been planted in the very being of each of us the seed that shall cause us to want to play the game of life in such a way as to reflect credit upon our community, our parents, and ourselves. Always remember this: "When that One Great Scorer comes to write beside our name, He writes not, if we won or lost, but how we played the game."

My love and best wishes will follow you wherever you may be, and whatever you may do.

Sincerely,

Your friend,

S. R. Cotton

Local School Board

Mr. Glenn Woodard, Mr. L. A. Willis, Mr. William B. Laughinghouse,

Mr. Jack D. Brinson, Jr. (Not pictured) Mr. Maxie Spencer.

The school board wishes to extend its congratulations to the class of '52 for having reached this educational goal at the end of twelve years of faithful effort. You have the honor and distinction of being the first class to graduate from the modern and very fine Pamlico High School.

As you leave its halls, our best wishes attend you with the hope that your lives may reflect credit upon your parents, your teachers, your school, and upon yourselves.
